Deccan Group of Institutions, Hyderabad (PID No: 1-8641511) is located in the heart of the city of Hyderabad and is well connected with urban streets and roads of GHMC. Besides, the road network within the campus is connected with “**all-weather approach (motorized roads)**”, which connects the urban streets of GHMC.

- The campus is well connected with all-weather approach roads, enabling uninterrupted access throughout the year irrespective of climatic conditions.
- The institution is accessible via a metal black-topped approach road exceeding 15.0 metres in width, providing safe and convenient access for all categories of vehicles.
- The campus is approachable from two sides along its boundaries, ensuring adequate entry and exit connectivity and facilitating smooth vehicular movement.
- These approach roads are maintained by the local civic authority of the State Government, ensuring regular upkeep and year-round serviceability.
- Internal campus roads are all-weather compliant and ensure barrier-free movement.
- The internal roads within the campus are constructed using durable, weather-resistant materials and are designed as all-weather roads, providing safe and efficient circulation for students, staff, visitors, and service/emergency vehicles.
- All approach and internal roads conform to the approved site plan and comply with the applicable local authority norms and standards, while supporting a barrier-free movement environment throughout the campus.
