CERTIFICATE

Deccan Group of Institutions (DGI), Hyderabad, PID-1-8641511, has initiated the implementation of the Nasha Mukth Bharath Abhiyan (NMBA) and maintains continuous initiatives for awareness, counselling, and preventive activities to promote a drug-free (Alcohol/Cannabis/Opioids, etc.) campus environment, in compliance with the directives of the AICTE and the Government of India.

1. Objectives

The initiative aims to:

Promote a healthy, safe, and drug-free campus environment for all students and staff. Prevent the use of alcohol, cannabis, opioids, and other addictive substances. Provide regular counselling and support services for students at risk. Create sustained awareness about substance abuse and its harmful consequences. Strengthen institutional mechanisms for monitoring, prevention, and student well-being

2. Implemented Measures

a) Awareness and Sensitization Activities

Organization of seminars, workshops, rallies, street plays, and expert talks. Display of posters, banners, and digital content promoting a drug-free lifestyle. Participation in national campaigns and observance of anti-drug awareness days. Student-led initiatives such as pledge campaigns and anti-drug clubs

b) Counselling and Support Services

Regular counselling sessions by trained counsellors/psychologists. Peer-support groups and wellness programs to help students cope with stress. Referral support for rehabilitation and de-addiction services, when required. Confidential platforms for students to seek help and guidance

c) Preventive and Monitoring Activities

Strict enforcement of anti-drug policies within academic and hostel premises. Anti-Drug Committee and Discipline Committee for vigilance and preventive action. Surprise inspections and monitoring in sensitive areas of the campus. Collaboration with health departments, NGOs, and law-enforcement for outreach

d) Publicity of National Toll-Free Helpline

Prominent display of the National Drug-Free Helpline – 1800-11-0031. Dissemination through notice boards, departments, hostels, and digital platforms. Orientation programs highlighting the availability and purpose of the helpline

3. Coverage

Applicable to all UG & PG – Engineering and Technology, PG – Computer Applications, and PG – Management programs. Beneficiaries include students, faculty, non-teaching staff, and campus residents

4. Outcomes

Creation of a safe, drug-free, and supportive campus environment. Increased student awareness about the risks and consequences of substance abuse. Strengthened preventive and counselling systems within the institution. Improved student well-being, discipline, and campus harmony. Enhanced collaboration with national anti-drug initiatives and community outreach

5. Declaration

DGI, has successfully initiated the process of implementation and continues to maintain comprehensive awareness, counselling, and preventive mechanisms under the Nasha Mukth Bharath Abhiyan, ensuring a responsible, healthy, and drug-free campus environment in alignment with AICTE and Government of India guidelines.
